Tri-State Healthcare Leaders Conference

September 18-20, 2024

Louisville Marriott East - Louisville, KY

hosted by

Members of Indiana MGMA, Kentucky MGMA and Healthcare Leaders Association of Ohio lead and manage medical practices - a complex and challenging profession that combines broad knowledge with cutting-edge expertise and practical skills with the experience to apply them. Decisions made by medical practice managers affect every aspect of successful medical practice operations, from patient care to a healthy bottom line.

Our members come from all areas of our respective states and rely on our professional associations to serve as their resource for information, education, exchange of ideas and industry contacts so that they can provide quality management and leadership to their physicians and staff.

Our diverse membership is comprised of administrators, managers, supervisors, billing staff, faculty, and other healthcare professionals representing practices of all sizes and specialties. These practices can range from solo, group and rural practices to university-based practices and multi-specialty clinics.

We invite you to join us and showcase your products and solutions to our attendees at the Tri-State Healthcare Leaders Conference in September.
